THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

United States District Court
Northern District of Illinois
Eastern Division

United States of America } No. 12 CR 723, 13 CR 703,
vs. } 15 CR 487

Judge John Z. Lee

Adel Daoud

Affidavit

I hereby affirm that the following facts are true, correct, & complete. That I am of majority age and competent to state the matters herein. In support AFFiant will state the following:

1. THAT on or about 1/11/22, AFFiant talked to his father on a jail phone call in MCC. His Father said Durkin contacted him, again
2. THAT Durkin offered AFFiant's Father a lawyer that Durkin "trusts". AFFiant's Father said he wasn't sure what to do or whether or not to hire that lawyer
3. THAT Durkin asked AFFiant's dad if he wanted him to continue working for AFFiant. AFFiant's dad responded yes due to Durkin knowing about the case, but that it is AFFiant's decision, not his
4. THAT AFFiant responded to his Father by saying he'll handle it and that his Father doesn't need a lawyer. AFFiant told him this because his Father did nothing wrong
5. THAT Durkin also told AFFiant's Father that AFFiant's next court date is on 1-26-22. As of writing this no body has yet told this to Affiant

THAT it's clear to Affiant that Thomas Anthony Durkin ill witness tampering. The fact that Durkin is not

allowed to even talk to AFFiant's Father due to the accusations being made by AFFiant was even acknowledged by Durkin to the father of AFFiant. Durkin made the offer to AFFiant's Father of an attorney, not only to protect himself (Durkin) and his associates, but to explicitly send the message to AFFiant's Father that he is also guilty of a crime and needs an attorney to avoid going to prison. As an alternative solution, Durkin offers to continue to misrepresent AFFiant and extort his Father

7. THAT this is a repeat of what AFFiant has been saying about Durkin inflicting fear on his parents by using prison as a threat for exposing his egregious misconduct and criminal activities

8. THAT on or about 10/04/21, AFFiant received an email from his mother, Mona Daoud. In this message she expresses the panic and fear that she and AFFiant's father have due to Durkin. She says they cannot "sleep at night," that she, AFFiant's father, and the rest of their family "r all going to get hurt," told the AFFiant "u will never see a day out" of prison. She explains why she is afraid of "them" meaning Durkin and his associates, "u don't want them as our enemy we can't have that we are simple people" and, "they are very powerful people and powerful people don't go to jail we do." She begs AFFiant to drop the accusations against Durkin and that if he doesn't, she and her husband (AFFiant's dad) are ready to lie and sugar-coat Durkin's crimes in the event that they have to testify to escape persecution. (SEE ATTACHED)

9. THAT this new story that AFFiant's parents only paid for side expenses like the "doctors and investigations" is a new story contrary to what his Father has been telling him for NINE YEARS before filing his first Affidavit. In any event, the new story still includes paying Dr. Xenakis, who was also appointed CJA, and they shouldn't have been paying Durkin for any investigations, LIMOS, or First-class plane tickets, but they did even though if Durkin wanted these things he

he should have asked Judge Coleman or Judge Lee.

Verification

I Adel Daoud will affirm that the information stated herein is true and that I have read this Affidavit and submit the same with purpose. Affiant declares under penalty of perjury pursuant to 28 U.S.C. Sec. 1746 on this the 13th day of January 2022.

Respectfully submitted,
Adel Daoud

wa alaykumus salaam. they let us out at different times everyday, and sometimes we just don't come out. listen to what im saying. if im right about what im saying, why would the lawyers tell you? i was entrapped and they had no interest in ever helping me. Durkin told me in my face he wanted my case over with to make more money. i was patient with them for 9 years. If what im saying isn't true, then why are they mad? it shouldn't mean anything if im wrong? you didn't do anything wrong, baba didn't do anything wrong, but they did and they took advantage of you. if you don't see it, that's ok, but i see it. Why would you trust the lawyers over me? You care about me. but they don't. if they don't care about me, why should i care about them? If i win and go home, you're still going to tell me im wrong? insha'Allah I will go home i will win. They are liars, and they don't care about me. their 6th amendment says i have a right to competent council. this right they said i have has been violated for 9 years. i cannot just fire them. Just for not having their 6th amendment right i could go home. why wouldn't i complain about my supposed rights being violated? Really they're supposed to go to jail. but they might not go to jail, they might just lose their license. OR they can give back the money, say sorry, and GO AWAY so i can go home! Remember what im saying.. the lawyers won't tell you im right. they are the ones that are in trouble. they will never admit it. think about what im saying.. if i am right, would they tell you? would they admit to you that they extorted you and did crimes and were never sincere about getting me out of jail? They would never tell you! so don't trust them, trust me! if the motion doesn't mean anything, if what im saying isn't true, or is crazy, then WHY ARE THEY MAD? just think about it! I love you!
